Education

Ph.D. in Psychological Science University of California, Irvine Advisor: Oliver Sng Co-advisor: Linda J. Levine	Present
M.A. in Psychology Yonsei University Advisor: Eunkook Mark Suh	2018
B.A. in Psychology Yonsei University	2016

Research Interests

I am interested in taking an evolutionary approach to group psychology and subjective well-being, considering the costs and benefits of group living under different ecological conditions.

Publications

- Sng, O., **Choi, M.**, & Ackerman, J. (2024). The ecology of relatedness: How living around family (or not) matters. *Journal of Personality and Social Psychology*. Advance online publication. <https://doi.org/10.1037/pspa0000428>
- Choi, M.**, Karnaze, M. M., Lench, H. C., & Levine, L. J. (2023). Do liberals value emotion more than conservatives? Political partisanship and lay beliefs about the functionality of emotion. *Motivation and Emotion*, 47(3), 364-380. <https://doi.org/10.1007/s11031-022-09997-4>

Selected Manuscripts in Preparation

*equal contributions

†mentees

- Choi, M.**, Sng, O., & Suh, E. M. (under review). Do relationships or money matter for life satisfaction? Depends on how much disease there is.
- Choi, M.**, Sng, O., & Ackerman, J. (in preparation). Who is the “ingroup”? The influence of mortality and resources on group boundaries.
- Choi, M.**, Sng, O., Iino-Seiki, N., & Campos, B. (in preparation). Ecological relatedness matters more when living around genetically close relatives.

Choi, M., & Suh, E. M. (in preparation). Why do happy people help more? Happiness increases perceived similarity between kin and strangers.

Choi, M.^{*}, Lee, S.^{*†}, Estes, K. D., Relihan, D. P., Holman, E. A., & Silver, R. C. (in preparation). Social identification with victims amplifies traumatic stress through media exposure of mass tragedy.

Conference Presentations

Chaired Symposia

Choi, M. (2025, February). *Forgotten roots: How the ancestral past shapes social behaviors*. Symposium Chair at the Society for Personality and Social Psychology, Denver, CO, USA.

Speakers: Ian Hohm; Minyoung Choi; Dr. Douglas Kenrick; Dr. Norman Li & Dr. Amy Lim

Choi, M., & Sng, O. (2024, February). *When others help or hurt our well-being: How and why*. Symposium Chair at the Society for Personality and Social Psychology, San Diego, CA, USA.

Speakers: Dr. Jacinth Tan; Dr. Geoff MacDonald; Jinseok Kim; Minyoung Choi

Oral Presentations

[†]mentees

Choi, M., Sng, O., & Iino-Seiki, N., & Campos, B. (2025, June). *Ecological relatedness matters more when living around genetically close relatives*. Talk at the Human Behavior and Evolution Society, Atlantic City, NJ, USA. [Accepted]

Choi, M., Sng, O., & Ackerman, J. (2025, February). *Who is the “ingroup”? The influence of survival threats on group boundaries*. Symposium talk presented at the Society for Personality and Social Psychology, Denver, CO, USA.

Sng, O., **Choi, M.**, Williams, K. E. G., & Neel, R. (2024, October). *The directed nature of social stereotypes*. Symposium talk presented at the Society for Experimental Social Psychology, Santa Fe, NM, USA.

Choi, M., Sng, O., & Suh, E. M. (2024, August). *Relationships matter less (but money matters more) for well-being in pathogen-prevalent ecologies*. Invited talk presented at the Ecological Society of America, Long Beach, CA, USA.

Choi, M., Sng, O., & Ackerman, J. (2024, May). *Who is the “ingroup”? The influence of mortality and resources on group boundaries*. Talk presented at the Human Behavior and Evolution Society, Aarhus, Denmark.

Choi, M., Sng, O., & Ackerman, J. (2024, May). *Who is the “ingroup”? The influence of mortality and resources on group boundaries*. Talk presented at the California Workshop on Evolutionary Social Science, Santa Barbara, CA, USA.

Choi, M., Sng, O., & Suh, E. M. (2024, February). *Disease prevalence predicts variability in determinants of life satisfaction: Social versus financial resources*. Symposium talk presented at the Society for Personality and Social Psychology, San Diego, CA, USA.

Choi, M., Sng, O., & Suh, E. M. (2024, February). *Disease threats shape whether friends or money matter for well-being*. Invited talk presented at the Society for Personality and Social Psychology Advances in Cultural Psychology Preconference, San Diego, CA, USA.

Brotherson, C.[†], **Choi, M.**, Williams, K. E. G., & Sng, O. (2023, November). *People’s stereotypes of those moving between harsh and hopeful environments*. Talk presented at the Annual Biomedical Research Conference for Minoritized Scientists, Phoenix, AZ, USA.

Brotherson, C.[†], **Choi, M.**, Williams, K. E. G., & Sng, O. (2023, August). *People’s stereotypes of those moving between harsh and hopeful environments*. Talk presented at the UCI Summer Undergraduate Research Fellowship Symposium, Irvine, CA, USA.

Choi, M., Sng, O., & Suh, E. M. (2023, May). *Disease prevalence predicts variability in determinants of life satisfaction: Social versus financial resources*. Talk presented at the Human Behavior and Evolution Society, Palm Springs, CA, USA.

- Sng, O., **Choi, M.**, & Ackerman, J. (2023, May). *The ecology of relatedness: How living around family (or not) matters*. Symposium talk presented at the Human Behavior and Evolution Society, Palm Springs, CA, USA.
- Choi, M.**, Sng, O., & Ackerman, J. (2023, April). *Who is the “ingroup”? The influence of mortality and resources on ingroup boundaries*. Symposium talk presented at the Western Psychological Association, Riverside, CA, USA.
- Choi, M.**, & Levine, L. J. (2023, March). *Do liberals value emotion more than conservatives? Political partisanship and lay beliefs about the functionality of emotion*. Talk presented at the Society for Affective Science Intergroup Emotions Preconference, Long Beach, CA, USA.
- Sng, O., **Choi, M.**, & Ackerman, J. (2022, October). *The ecology of relatedness: How living around family (or not) matters*. Symposium talk presented at the Society for Experimental Social Psychology, Philadelphia, PA, USA.
- Levine, L. J., **Choi, M.**, Karnaze, M. M., & Lench, H. C. (2022, October). *Do liberals value emotion more than conservatives? Political partisanship and lay beliefs about the functionality of emotion*. Symposium talk presented at the Society for Experimental Social Psychology, Philadelphia, PA, USA.
- Do, C.[†], **Choi, M.**, & Sng, O. (2022, May). *Do more siblings lead to more sibling rivalry? A cross-cultural investigation*. Talk presented at the UCI Undergraduate Research Symposium, Irvine, CA, USA.
- Chin, T.[†], **Choi, M.**, & Sng, O. (2021, May). *Social influences on individuals’ life history strategies*. Talk presented at the UCI Virtual Undergraduate Research Symposium, Irvine, CA, USA.
- Choi, M.**, Sng, O., & Suh, E. M. (2020, July). *The ecology of happiness: Money matters more in pathogen-prevalent areas*. Symposium talk presented at the Asian Association of Social Psychology, Seoul, Republic of Korea.
- Choi, M.**, & Suh, E. M. (2018, November). *Why do happy people help more? Happiness increases similarity perception between kin and strangers*. Talk presented at the Korean Social and Personality Psychological Association, Chuncheon, Republic of Korea.

Poster Presentations

*equal contributions

[†]mentees

- Shin, J., **Choi, M.**, & Mauss, I. B. (2025, February). *Resource scarcity diminishes the perceived desirability of happy people*. Poster presented at the Society for Personality and Social Psychology, Denver, CO, USA.
- Choi, M.**, Sng, O., & Ackerman, J. (2025, February). *Who is the “ingroup”? The influence of mortality and resources on group boundaries*. Poster presented at the Society for Personality and Social Psychology Evolutionary Psychology Preconference, Denver, CO, USA.
- Choi, M.**, Sng, O., & Suh, E. M. (2025, February). *Do relationships or money matter for life satisfaction? Depends on how much disease there is*. Poster presented at the Society for Personality and Social Psychology Happiness and Well-Being Preconference, Denver, CO, USA.
- Koo, H. J., **Choi, M.**, Goldy, S. P., & Sng, O. (2024, February). *Social density breeds competition and mistrust*. Poster presented at the Society for Personality and Social Psychology Advances in Cultural Psychology Preconference, San Diego, CA, USA.
- Lee, S.^{*†}, **Choi, M.**^{*}, Estes, K. D., Holman, E. A., & Silver, R. C. (2023, November). *The role of shared identity in predicting distress via media exposure*. Poster presented at the International Society for Traumatic Stress Studies, Los Angeles, CA, USA.
- Ma, S.[†], **Choi, M.**, & Sng, O. (2023, May). *The influence of the number of children on stereotypes of life history strategy*. Poster presented at the UCI Undergraduate Research Symposium, Irvine, CA, USA.
- Lee, S.[†], **Choi, M.**, & Silver, R. C. (2023, May). *The role of shared social identity and traumatic stress following mass violence*. Poster presented at the UCI Undergraduate Research Symposium, Irvine, CA, USA.
- Choi, M.**, Sng, O., & Ackerman, J. (2023, February). *Who is the “ingroup”? The influence of mortality and resources on ingroup boundaries*. Poster presented at the Society for Personality and Social Psychology, Atlanta, GA, USA.

- Choi, M., Sng, O., & Suh, E. M.** (2023, February). *Disease prevalence predicts variability in determinants of life satisfaction: Social versus financial resources*. Poster presented at the Society for Personality and Social Psychology Evolutionary Psychology Preconference, Atlanta, GA, USA.
- Chin, T.[†], **Choi, M., & Sng, O.** (2023, February). *Can the life history strategies of others influence our own life history strategies? A test of three hypotheses*. Poster presented at the Society for Personality and Social Psychology Evolutionary Psychology Preconference, Atlanta, GA, USA.
- Chin, T.[†], **Choi, M., & Sng, O.** (2022, May). *Social influences on individuals' life history strategies*. Poster presented at the California Workshop on Evolutionary Social Science, Fullerton, CA, USA.
